Principal's Message

Welcome May! April hit us with some diverse weather conditions, but hopefully we'll soon be enjoying beautiful spring temperatures. We are down to two months left in the school year, and we have much to look forward to 😊.

Staff and students continue to work hard at learning. May and June will be filled with wonderful classroom experiences, meaningful ongoing and yearend assessments, fun class trips, and – with the arrival of the warmer weather – hopefully opportunities for outdoor learning. The SLC continues to lead and organize a number of great activities for our students and staff. Badminton wrapped up in April. Track and Field season is upon us.

Thank you for continuing to value our school and education. Please continue to contact your child(ren)'s teachers when you have questions or comments regarding their education or well-being. If you were unable to participate in the Parent Teacher Interviews in March, and have not yet spoken to your child(ren)'s teacher(s), please feel free to contact the school to speak to them or to arrange an in-person meeting.

If you have any other comments, questions, or concerns, please feel free to contact me at the school – (306) 724-2181, cschwehr@srtd119.ca.

Happy May!

Mrs. Corrine Schwehr

Edsby

At this point, most of our parents are actively using Edsby - Yay! But if you aren't yet, please set up your Edsby app right away. Edsby allows you to communicate with your child's teacher, enter upcoming absences, see their class marks and also see important school messages. If you need help setting up your Edsby account, please contact the school office.
