Principal's Message

June has arrived! We're in the home stretch of the 2021-2022 school year. The year has come with successes and challenges, but one thing has remained the same—staff commitment to students. I hope you've had the opportunity to hear from your child(ren), and/or staff, about the great things going on in classrooms. We continue to work diligently—focusing on learning and health every day.

Our school year wraps up in June with continued enjoyable classroom experiences, important on-going and yearend assessments, and opportunities for fun outdoor learning. The SLC continues its great work. Track & Field is going strong. Outdoor Education trips are coming up. Graduation is right around the corner. Class day trips are in-the-works and on-the-go.

We had one staff change in May. On Thursday, May 26th, we welcomed back Mme. Denise Dumais. On May 27th, we said farewell to Mlle. Jaclyn Aarrestad. However, it is not a long farewell - Mlle. Aarrestad will join us again for the 2022-2023 school year.

Thank you so much for your ongoing support of the school. If you have comments, questions, or concerns, please feel free to contact me at the school (306) 724-2181 or via email cschwehr@srsd119.ca.

Happy June!
Mrs. Corrine Schwehr

École Debden Public School continues to be "MASK FRIENDLY".
What does this mean?
All students and staff have the choice to wear a mask or not.
Masks and rapid test kits continue to be available at the school until supply runs out.

Please Be On Time!

Please remember that the school day begins at 8:50am. Students should be at school by 8:45am.

Classes begin after lunch at 12:50pm. Students should be back at the school by 12:45pm.

Student Registration for 2022-2023

If you know that you will not be returning to Debden School in the fall, please contact the office before the end of June.

All returning students and new students must register for the 2022-2023 school year. Click on the link below to register your child(ren) or scan the barcode. Please submit your registration by August 25, 2022.

June Exams

This June, we will follow a similar format to January 2022. We will not be shutting down classes for 9-12 exams. Students will continue to attend classes according to the regular timetable, until Tuesday, June 28th. Teachers will make arrangements within the context of each class/ subject area to address year-end learning in the way most appropriate – that may be in the form of a final exam, it may be through time to complete a project, or it may be through another suitable method to best cover curriculum. Remember there are once again no mandatory Provincial Examinations (Departmentals) for any 30 level (grade 12) courses this school year.

From the Library

A special **Thank You** to all the students who have already returned their library books this school year. It is so nice to get them all back in to the library so they are ready to be taken out again first thing in the fall. The global due date for this school year is June 3rd. After this date no new library books will be allowed to go out of the library. Please have all books returned to the library by June 10th so that I can start inventory with a full library of books.

If anyone finds a library book over the summer, (They may have **Debden School barcode** on the back right-hand corner or a label on the spine of the book) please hang on to it and return it in the fall as books are very expensive and we would like to keep our local school library as full as possible.

Gr. 10 Art Gallery Tour

The Grade 10 class expanded their cultural awareness and art appreciation with an excursion to the Allen Sapp Art Gallery in North Battleford. Students were able to let their creative spirit come alive in an informative and fun manner by learning the art of block printing. Before heading home, we stopped for lunch at McDonald's and were able to participate in McHappy Day. This was a great way to have a light conversation around charities and simple ways we can support people in need throughout our province. Great learning can happen in any environment!

SLC - Wake-A-Thon

The S.L.C put on a Wake-a-thon. Twenty six students from grade 7-12 participated in the event. The teams were broken up into two colors (Blue and Red). The object of the game was to NOT FALL ASLEEP from 3:30pm to 7:00am the next morning.

The day started out at Morin Lake with fun games, rock skipping and just chillaxing events. There was also mini-golf followed by an ice-cream cone, thanks to the Little Country Grill. Then, both teams met up at a campsite and roasted hotdogs on an open fire.

At school, the games were non-stop: obstacles, dodgeball, hide and go seek, Eat It or Yeet It, movie time, escape room, water bucket toss, pie in the face, to name a few. The students finished off their sleepless night with pancakes and sausage. Fun was had by all.

A big thanks goes out to the SLC for organizing the event. Their enthusiasm was present at all hours of the night. Also, all participants were respectful and helpful even when the going was tough at the wee hours of the morning. Thanks for making the experience a good one!
